What you will do for our network

- You put in your best effort to regularly produce and upload great original video content to your channel. We try to reach the top and want to do that together with you.
- As you might expect it's very important that you stick to the YouTube regulations Regarding content. We are not responsible for any kind of measure taken by YouTube, derived from the misuse of their platform.
- You are not allowed to use copyrighted music or movies including remixes and edits. YouTube is understandably extremely allergic to this and we don't want your uploads to cause YouTube to black out our network.
- Be a good guy. Promoting hatred, racism, violence etc. Is of course not allowed.
- It also means that we can't have you support torrents and cracks. But, of course it's okay to make a channel about mods, i.e. new additions to Minecraft.
- Being a good guy also means you can't use somebody else's videos. It's your channel so it should be about your original content videos only.

In case you breach the agreement or your first YouTube Copyright or Terms of Use strike, we will notify you to give you a chance to remedy the situation. However in case of a material breach of this agreement or in case you have been dealt 2 or more strikes, you understand that there may be no other option for us than to cancel the partnership, remove your channel from our network and stop payouts.

YouTube has their own filters against the misuse of the platform by third parties. Misbehavior on the platform might end up on a terminated account. We are not responsible for the actions taken by YouTube against any strange behavior like hacking, the use of robots or any other misuse.

Limitation of Liability/Remedies:

We will not liable to you for any lost profits or incidental, punitive or consequential damages howsoever arising in connection with the subject matter of this agreement.

You irrevocably waive all rights to seek injunctive or other equitable relief and agree to limit your claims to claims for monetary damages (if any). Our aggregate liability for any cause of action arising from or related to this agreement will not exceed the amounts paid to you under this agreement as of the date of the claim.

By submitting this agreement you confirm that you are of legal age or, if not, that you have Approval from a parent or guardian.

At any time, either party may terminate this agreement with 30 days written notice for any reason or no reason. Upon any such termination, neither party will have any further obligation, rights or duties to the other party, except: that any undisputed payments owed by Rhap Records (Ventura Multinational, LP) to you prior to the date of termination will still be deemed payable in the manner mentioned above in this agreement.
